Advanced Urbanism Colloquium

Introduces principal issues in the field of advanced urbanism for discussion and exploration. Includes theoretical linkages between ideas about the culture of cities, processes of urbanization, and urban design. Involves events co-organized by faculty and doctoral students to further engage and inform research.

**Preference given to doctoral students (advanced urbanism)**

**INSTRUCTOR:** JAMES WESCOAT • **TIME:** W 10-12 • **ROOM:** E14-140L • **LEVEL:** 1-1-1 G
